MEMORANDUM FOR:

[redacted]
Office of Legislative Liaison

THROUGH:

J. Kenneth McDonald
Chief, History Staff

FROM:

[redacted]
Staff Historian

1. Per our conversation last week concerning Gary Schmitt, enclosed are copies of selected pages from OLL Annual Reports, 1961-73. The pages were chosen for the statistical information they contain with respect to Agency contacts with the Hill. Most are classified at the SECRET level and may contain material not suitable for distribution outside the Agency.

2. I remain happy to talk with Schmitt whenever a suitable time can be arranged.

3. I would also like to remind you of the History Staff's desire to have 45 minutes or so with Senator Stennis in connection with our study of Richard Helms as DCI. Beginning 13 March, I shall be tied up every Tuesday and Thursday until 29 March. So from our perspective, Mondays, Wednesdays, or Fridays would be most convenient.

4. I shall await word from you concerning both the Schmitt and the Stennis meetings.
